Air Power Over Mattapoisett

Those of us that were fortunate enough to have been outdoors on Monday afternoon, got a rare glimpse of the past. The B-17 Flying Fortress "Nine-O-Nine" and B-24 Liberator "All American", two World War II bombers, flew together over the New Bedford area for the first time in nearly fifty years. These massive aircrafts circled Mattapoisett Harbor while on route from Hyannis to the New Bedford Municipal Airport, where they were displayed until Wednesday afternoon.

"Nine-O-Nine", which was known for its dependability and for flying 140 missions during WWII without the loss of a single crewman, was flown by Mattapoisett resident David E. Frawley. Mr. Frawley, a flight instructor who specializes in qualifying pilots for these types of aircrafts, stated that out of his 51 years of flying, this aircraft remains his favorite.

Alongside of the B-17 flew the "All American", the only flying and fully-restored B-24 remaining in the entire world. The cost to restore this fighter has totaled over one million dollars and was made possible by the generous donations of material and time by numerous volunteers. The cost to operate both the B-17 and B-24 fighters is \$2,000 per hour.

Cover Photo: The B-17 "Nine-O-Nine" piloted by David Frawley of Mattapoisett, passes over Shipyard Park.

Below: The "Nine-O-Nine" seen in full flight.

Above: Pilot David Frawley poses with the B-17 "Nine-O-Nine" at New Bedford Airport.

Right: The B-17 followed by the B-24 "All American" passes over Mattapoisett.

Sweeney Todd is Here!

Tuesday night at the Old Rochester Regional High School is filled with confusion and excitement as the cast and crew of the ORRHS Drama Club makes the final frantic touches before Thursday's opening night performance of *Sweeney Todd: The Demon Barber of Fleet Street*. The sounds of the orchestra members practicing are combined with the on-stage accompaniment of power drills and

Above: Sweeney Todd (Craig Weatherly) and Mrs. Lovett (Sheila Furtado) devise a sinister plan.

Left: Musical Director Orlando Pandolfi prepares the orchestra for a practice run through.

hammers as the crew polishes up the already incredible set. Actors run around half-dressed in costumes while searching out props and reciting lines before the dress rehearsal. Co-

director and Designer David B. Boyce admits that the closer it gets to opening night, the more work it seems that has to be done.

Anyone living, visiting, even passing by Mattapoisett could not have missed hearing of the Drama Club's upcoming performance, and from the evidence of flyers and posters plastered about town, this show is expected to draw quite a large crowd to the "musical thriller." The storyline centers on the old

legend of an English barber who seeks out revenge on the people who caused his life to take a turn for the worse. The play was written by Hugh Wheeler and the musical score was composed by Stephen Sondheim. *Sweeney Todd* opened on Broadway in 1979 and has since earned eight awards, including being named Best Musical.

The cast includes a number of current Drama Club members as well as alumni and area artists. Craig Weatherly as Sweeney Todd, Sheila Furtado as Mrs. Lovett, Suzanne Paquette as the Beggarwoman, Michelle Paquette as Joanna, Andrew O'Shaughnessy as Anthony, Tom Hanks as the Judge, Steven Smith as the Beadle, Paul Sardinha as Pirelli, Kurt Guba as Tobias and Sean Ellis as Fogg, all

contribute convincing and expressive roles.

Music and Orchestral Director Orlando Pandolfi and Vocal Director Paul Sardinha reignite Soundheim's score in all its glory. Co-Directors Irina Weatherly and David Boyce have a talented cast with which to bring the melodrama to life.

While dress rehearsals offer a rare glimpse of how much work is actually needed for a production of this sort, the "real thing" will guarantee a evening of wonderful entertainment. *Sweeney Todd* opens on Thursday, August 6, at 8:00 pm and will continue through Friday, Saturday, and Sunday evenings. Additional matinee performances will be held on Saturday at 2:00 pm and on Sunday at 3:00 pm. For ticket information, please call (508) 758-6043.

A New Fence for Shipyard Park

A new wooden fence has been erected at Shipyard Park to replace the one destroyed by Hurricane Bob. The cost of the new fence was funded by the Federal Emergency Management Agency (FEMA), a federal fund to aid areas in need of emergency assistance. Many hard-working individuals volunteered their time and effort for the task of digging post holes in the rocky soil and setting the new fence in place. Paul Lambalot, Bob Maher, Mike Moreau, John Coucci, Jr., Stephen Hughes, Scott Greany, Frank Pruchnik, Tim Quinlan, David Jardin, Kevin Cadieux, and Milt Heuberger all offered their energies to this project.

Mattapoisett Selectmen's Meeting

August 4, 1992

Chairman John N. DeCosta called the meeting to order at 7:04 pm. Also present were Selectman Paul E. Lambalot and Selectman Daniel O. Mahoney.

After revising and approving the previous

meeting's minutes, the board reviewed the incoming correspondence.

A letter from the Southeastern Regional Planning and Economic Development District (SRPEDD) discussed the application for a \$42,500 grant from the Massachusetts Incentive Grant Program. This purpose of the grant is to help develop a strategy for attracting suitable businesses to smaller towns in the SRPEDD district. Mattapoisett is included in this district, and could thereby benefit from such a program. The board unanimously agreed to submit a letter to the Executive Office of Communities and Development (EOCD) in order to show support for the grant application.

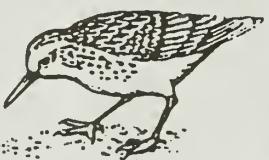

The Massachusetts Municipal Association (MMA) wrote in regards to the legislature's override of the Governor's plan to reduce education aid and additional lottery money. The MMA stressed that while this override is a significant victory for cities and towns, and the legislators should be commended for opposing the plan, the struggle to support issues that effect local government continues.

The board reviewed a letter of resignation from Robert Demers who has been serving as the Sealer of Weights and Measures for the past several years. Selectman Mahoney stressed the need to fill this position promptly. Anyone interested in this appointed position should fill out an application.

A letter from the Office of Governor William Weld was received in response to the board's letter concerning rebuilding activities in the aftermath of Hurricane Bob. Apologies

were sent for the delayed response due to the inconsistent determinations made by the Department of Environmental Protection (DEP). Additional information has been made available to expedite the rebuilding of damaged areas.

The Mattapoisett School Committee wrote to request the board's permission to dispose of old books from the Old Hammondtown School. The selectmen agreed that the out-of-date books were no longer much use to the school and approved the disposal of the textbooks, dating as far back as 1961.

Local resident Mary Mahady sent a letter to commend the prompt and courteous local police officers and EMT's during the recent illness of her mother, Marion Turner. "The residents of Mattapoisett are fortunate to have such an efficient emergency team," added Ms. Mahady, who made a \$100.00 contribution to the Mattapoisett Ambulance Fund in recognition of the professional service.

The board next discussed the need for two new signs along the road at Hiller's Cove Beach to state "Sticker Parking Only." The measure is in response to the overcrowding and pollution caused by trespassers, and the signs will hopefully deter the illegal harvesting of quahogs and clams at the beach. The chairmen unanimously voted to give Shellfish Inspector Brian Nunes the approval to post these signs. Chairmen Lambalot and Mahoney joked that people who want to sneak out quahogs and clams will have to park on the street, thereby making it easier for neighbors to catch the bucket-lugging culprits.

Marion Selectmen's Meeting

July 21, 1992

The meeting was called to order at 7:00 pm. Present were Chairman Loretta B. Schaefer, Board members Edwin H. B. Pratt, Jr. and James S. Dougall and Executive Secretary Ray E. Pickles (at 7:30 pm). Also, Lee Craver, Francis J. Farrell, Jr., Abilio J. Roderiquez, Tyler Blethen, Parris Kellermann of *The Standard-Times*, Lisa Roderick of *The Sentinel*, Hod Kenney, William C. Saltonstall, Jr., Ronald J. and Anna R. Cavallo, James Neall, Albin Johnson, III, Sherman Briggs and Helene Craver, secretary.

The Board met with Mr. Farrell, who complained about John Rockwell's appeal of

an order of conditions that had been reached by compromise between the Conservation Commission, Mr. Farrell's attorney and Town Counsel. Mr. Farrell strongly objected to Mr. Rockwell's use of Town Counsel and his contacting officials as a member of the Conservation Commission. Mr. Farrell strongly urged the Board to take action to remedy the situation and added that, since 1986, this project has caused him to incur \$40,000 in legal and engineering fees.

Mrs. Schaefer asked for clarification of Mr. Rockwell's involvement in the case. Mr. Kenney verified the fact that Mr. Rockwell did not take part in the Conservation Commission vote on Mr. Farrell's project and had not taken part in any of the discussions while Mr. Kenney had been Chairman of the Commission. Mr. Farrell objected that Mr. Rockwell had been on his property while Mr. Kenney was Chairman. Mr. Kenney admitted that fact and said that that had been a mistake on his part and the part of Mr. Farrell's engineer. Mr. Kenney said that Mr. Rockwell may have taken part in the Commission's deliberations during the 1985 - 1987 time frame—he didn't know—but that Mr. Rockwell did not take part in the current discussions. Mr. Kenney said that Mr. Farrell had agreed to file a new notice of intent, that some problems and questions on where the septic systems would be located were discussed and there was a discussion on where the replication area would be located. Mr. Kenney said that the Commission had voted four-to-one to accept the compromise. Mrs. Schaefer summarized that, in the agreement reached and the vote on the agreement, Mr. Rockwell had not taken part.

Mr. Farrell further objected that Mr. Rockwell was still a member of the Commission whether he abstains from voting or not. Mr. Pratt said that Mr. Rockwell's appeal was the right of any citizen or abutter. Mr. Pratt said that the Town would not defend the appeal with Town Counsel; rather, the Town would defend the decision of the Commission.

Mr. Dougall stated that Mr. Rockwell has access to all the Commission's files. Mr. Pratt said that there was nothing illegal about that. Mr. Pratt reiterated the Board's support of the Commission's decision. Mr. Kenney said that it didn't make any difference whether Mr. Rockwell was on the Commission or not—he is appealing as an abutter. Mr. Pratt said that due process has been followed.

The Board next met with Mr. Neall, who

expressed his concerns about the shower at Silvershell Beach being inoperable and also about the sidewalk repairs. Mr. Neall said that it had been eleven months since the Hurricane and he felt these items should be taken care of. Mrs. Schaefer said that she had asked about these concerns and learned that Hurricane Bob had destroyed the water line, which would not

be repaired this year, because it needs a back-flow preventer. Mrs. Schaefer said that the two lines would be combined into one and put back on line next Summer and that the missing shower head was scheduled to be replaced this afternoon. According to Mrs. Schaefer, the sidewalks would be the next thing to be repaired, after the Department of Public Works completes the sewer line on Park Street this week. Mrs. Schaefer stressed that, considering the tremendous amount of damage caused by the Hurricane, the Department of Public Works had done a remarkable job.

Mrs. Schaefer moved to temporarily adjourn to the Board of Health at 7:30 pm. The motion was seconded and carried unanimously.

Marion Board of Health Meeting

July 21, 1992

The Board met with Mrs. Cavallo, Mr. Cavallo and Mr. Saltonstall to attempt to resolve the Cavallo's problems with their property. Mr. Pickles explained that the Cavallos had rented out the original house on Delano Road, while occupying the separate addition, without proper permits or an occupancy permit. Mr. Pickles said that the Cavallos had been notified by the building department in 1986 that the structure was not in compliance with the original building permit. Mr. Pickles added that, since that time, there were other violations that were discovered when the inspectors went to do the final inspections, which included plumbing violations and a septic system that had been installed without permits.

Mr. Saltonstall said that the Cavallos had called him to consult on the situation and determine what would need to be done to correct the deficiencies and concluded that the open breezeway connecting the two structures would need to be enclosed, creating a single-family dwelling. Mr. Saltonstall said that Arthur Thompson's office would either repair or replace the second septic system that was built for the addition. Mr. Saltonstall said that plans would be resubmitted to the building department for the addition and septic system.

Mr. Dougall asked about the number of kitchens existing in the two buildings. Mr. Saltonstall said that the town's by-laws do not prohibit having more than one kitchen in a structure. Mr. Pickles added that the addition should not be occupied until all the codes are

met. Mr. Pratt said that he would recommend that the addition not be occupied and that plans be submitted within thirty days.

Mrs. Schaefer moved that plans be submitted within thirty days. The motion was seconded and carried unanimously. Mrs. Schaefer also moved to adjourn to the Board of Selectmen at 7:46 pm and the motion was seconded and carried unanimously.

Referring to a press release announcing a \$90,000 grant to the Marion/Mattapoisett/Rochester Housing Co-op for a "soft-second" mortgage program to assist first-time home buyers, Mrs. Schaefer thanked Mr. Craver and all those who worked with him to bring about this success. Mr. Craver said that there were many people involved—Senator Wall, the Selectmen from the three towns, the banks, Housing Partnership members and employees who responded to the original needs survey. Mr. Pratt said that the Town's new Representative, Barney Frank, was interested in housing issues and that he will follow up to see if assistance can be gained through federal grants. Mr. Pratt said that the award was not granted because of "political clout," but because the plan makes sense. Mr. Craver said that, when they applied for the grant, they identified problems with the program at the local level. Mr. Craver said that this strategy made the applicants a bit nervous, but that ultimately the State agreed with the applicants. Mr. Craver said that a follow-up meeting will be held in New Bedford on July 30.

The Board noted receipt of a letter of resignation from the Elderly Housing Committee from the Reverend Ernest Cockrell, who

will be leaving Marion to become pastor of a church in California. The Board requested that Reverend Cockrell be invited to a Selectmen's meeting in order to express its appreciation of his work in the community.

The Board noted receipt of a letter expressing interest in the opening on the Conservation Commission from Lynn Druskat. The Board will hold interviews with the two candidates on August 18.

The Board discussed a request from David and Constance Pierce for a handicapped parking space in front of the Library. Mr. Pickles said that this had been discussed previously and should be done. Mr. Dougall said that there were other areas that should also be addressed. It was decided to ask Joseph Cuning, the Town's Regional Disability

Coordinator, for his recommendations.

Mr. Pickles reported that he had had discussions with the Alcoholic Beverages Control Commission and it appeared that the Town had lost the year-round all-alcohol license that the Town had revoked from the New Marion Package Store. Mr. Pickles said that the all-alcohol license would probably be issued on a seasonal basis—the Town could then petition the legislature to convert the license to an annual one.

The Board reviewed a memo from the Conservation Commission requesting the sand spoils at Silvershell Beach be used at the Planting Island causeway beach. Mr. Pratt moved that the Conservation Commission be authorized to proceed with the permit process and that the Department of Public Works be used to transfer the sand when it is available and that the Town would take charge of the transfer. The motion was seconded and carried unanimously.

Mr. Pratt moved to increase the mileage reimbursement from 22¢ to 25¢ effective July 1, 1992. The motion was seconded and carried unanimously.

Mr. Pickles reported that the Department of Environmental Protection had agreed with the Town's position that the pump tests on the Perry Hill well site would be done after the production wells were installed. Mr. Pickles said that the pipe installation would begin Friday. The Board noted receipt of a Water Conservation Plan from the Department.

Mr. Pratt moved to sign a petition regarding cuts in local aid and Question 5, as requested by the Hudson Board of Selectmen and to forward the petition to the School Com-

mittee. The motion was seconded and carried unanimously.

The Board briefly discussed the condition of the Planting Island causeway. Mr. Dougall noted that \$500 was spent on a dust-control liquid that didn't seem to do the job.

Mr. Dougall objected to the way in which Camp, Dresser & McKee was billing the town. Mr. Dougall said that the bills were lumped together instead of being separated according to categories, and that it was time consuming for Mr. Pickles to determine which bills were for what. Mr. Pickles said that he would request a change in the manner in which the engineers billed the town.

The Board unanimously approved the following:

A water credit memo in the amount of \$290.44, an all-alcohol license for the VFW clam bake, appointments for the Fire Alarm Superintendent and two Assistants, a victualler's license for Decas Market, a victualler's license and permit to operate a food establishment for Victoria's Donuts, a water commitment in the amount of \$648.25, a water commitment in the amount of \$401.49, the cherry sheet highway funds for FY '93 in the amount of \$399,632.55, a water credit memo in the amount of \$207.86, to ratify the Clerk's signature for the contract with the Department of Environmental Protection, Division of Water Pollution Control for the stormwater remediation project, and the minutes of July 7th.

Mr. Pickles next reported on his meeting with SEMASS officials, the Carver Board of Health, Frank Mazzilli and Town Counsel, which attempted to resolve differences on the Settlement Agreement and landfill issues. Mr.

dissatisfaction with the redistricting plan. Mr. Pratt said that redistricting was an opportunity to strengthen government, but the redistricting plan was disgraceful. Mr. Pratt said that he will follow up with the Buzzards' Bay Action Committee.

Mrs. Schaefer moved to go into the Board of Health at 8:35 pm. The motion was seconded and carried unanimously.

Following the Board of Health meeting at 8:43 pm, Mrs. Schaefer moved to go into executive session to discuss the Durfee suit. The motion was seconded and carried unanimously.

The Board noted receipt of a memo from Karen Walega, Regional Sanitarian, regarding septic permits #1021, 1022 and 1023. Mr. Pratt said that he had a conflict with these permits and left the room. Mrs. Schaefer read the recommendation that these permits be extended until May 14, 1994. Mr. Pickles said that the permits had been approved by Miss Walega and that monitoring wells had been installed. Mr. Dougall moved to approve Miss Walega's recommendation and extend the permits. The motion was seconded and carried, Mr. Pratt not present or voting.

Mr. Pratt returned to the room and Mrs. Schaefer noted that the next meeting will be held August 4. Mrs. Schaefer then moved to go into the Board of Selectmen at 8:43 pm. The motion was seconded and carried unanimously.

Rochester Selectman's Meeting July 27, 1992

The Selectmen's meeting was called to order at 7:00 pm. Present were Chairman Harry A. Brown, Jr. and Selectman L. Joseph Covas, Jr. and Selectwoman Lorraine R. C. Roy.

After approving the minutes from the July 20, 1992 meeting, the Selectmen met with Mr. John Cobb, President of the Rochester Lion's Club. Chairman Brown stated that due to his affiliation with the Lion's Club, he would absent himself from the meeting while Mr. Cobb requested a license for a Carnival.

Mr. Cobb stated the Carnival would be held on August 12 - 15. The hours would be Wednesday, Thursday and Friday 6:00 to 10:00 pm and on Saturday, 1:00 to 10:00 pm.

Selectman Covas noted that it was an extension of hours over last year's Carnival and Mr. Cobb explained that a car show planned for Saturday was the reason for the extended time on the request for permit. It was noted that the event would be family-oriented and no beer or wine would be permitted. Thereafter, a motion was made by Selectman Covas to grant the license to Larry Cushing Enterprises, Inc. and the Rochester Lion's Club for the dates aforementioned. It was noted that one police officer would be on the premise to control traffic. Selectwoman Roy seconded the motion. Selectman Covas voted the fee for the same would be waived.

Chairman Brown re-joined the meeting and continued by reviewing the correspondence which had come in during the past week.

The information from the Department of Revenue concerning cherry sheet payments for

certain state-owned land was noted by the selectmen. Chairman Brown commented that two areas which this covers are the fish hatchery on Hartley Road and the boat landing on Neck Road.

A memorandum from Claudette Coutu, Town Accountant, regarding the Article on the Town Meeting Warrant for \$300.00 for the Buzzard's Bay Action Commit, was reviewed due to possible future cuts and the question of whether or not this Article could be included as an item in that category. Chairman Brown stated he attended a meeting of the Committee

last week and was asked about the money and why it had not been paid yet. It was noted by Chairman Brown also that the funds would be used to augment the grant received to meet a salary schedule. Claudette Coutu did state that that was a new item and still suggested holding off on this item. Selectman Covas suggested placing the same in the pending folder for two weeks. Selectwoman Roy agreed.

Information from Kopelman and Paige regarding the State Ethics Commission was noted by the Selectmen. There was one point brought up for discussion relative to selectmen serving as members on boards which they have direct control over.

A request from the Board of Appeals to seek legal counsel on an application which is

before them was reviewed by the selectmen. A motion was thereafter made by Selectwoman Roy to approve the request. Selectman Covas seconded the motion with Chairman Brown making the vote unanimous.

The selectmen then reviewed notices for upcoming meetings.

Selectwoman Roy and Chairman Brown noted that they will be attending the meeting on September 10 on the Open Meeting Law sponsored by the Middleboro Selectmen at the Birkland School.

Next, the selectmen reviewed items which needed their signature.

An invoice from MIIA with a corrected premium for Public Officials Liability Insurance was noted by the selectmen. A motion was thereafter made by Selectman Covas to approve the same for payment. Selectwoman Roy seconded the motion with Chairman Brown making the vote unanimous.

The Selectmen noted a memo from the Board of Health noting that Board Member, Debra Pickup, would be the member serving on the Mattapoisett River Water Protection Advisory Commission. A motion was thereafter made by Chairman Brown to appoint Ms. Pickup to the position. Selectman Covas seconded the motion with Selectwoman Roy making the vote unanimous. Ms. Pickup will be reminded about the next meeting scheduled for September 9 in Rochester.

Chairman Brown informed his fellow selectmen about the budget approved at the Annual Town Meeting for Water Commissioner in the amount of \$3,000.00 for the connection of water to the Town Hall. It was noted by Chairman Brown that this will

require state approval, a bid package, etc. Chairman Brown stated that the town would dig the ditch needed and the cost is mainly the copper tubing. With the Board's approval, Chairman Brown said he would speak to Marion to see if they will make the connection. Both Selectman Covas and Selectwoman Roy were in agreement for Chairman Brown to proceed. The same will be placed on next week's agenda in order to proceed with the actual bidding procedure, if necessary. It was not. The Church will be included and will pay for the tubing they require themselves. We will dig the ditch for the Church also.

At this time in the meeting, David True, Chairman of the Board of Health met with the selectmen. Mr. True stated he took exception to the newspaper article in *The Sentinel* last week

and the comments therein. He spoke of Chairman Brown's statement of his discussion with Mr. True about speaking with Mattapoisett about use of its landfill. Mr. True asked Chairman Brown when he told him, what meeting he was referring to.

Chairman Brown stated that a meeting was held of the Tri-Town Boards of Selectmen in March of 1992 wherein a discussion took place on the matter of Rochester using its landfill due to its having plenty of room. Chairman Brown referred to a memo which was sent to the Board of Health regarding the same. Chairman Brown also stated that he recently spoke to Ted Pratt of Marion who had also forgotten to get his Board of Health together with the other two towns and he apologized. Selectmen Brown also apologized

to Mr. True for any misunderstanding there may have been about the issue.

A question arose at this time about the progress of a proposed transfer station. Mr. True stated the Department of Environmental Protection will not approve a site at an old dump. Mr. True was corrected about a proposed location of land given to him that was located on the same side on High St. as the presently capped landfill. He was under the impression it was across the street. Mr. True did state he was considering land on Dexter Lane also. Chairman Brown personally stated he would not want a transfer station at that site. The items which could be accepted at the transfer station were discussed; white goods was not one of them. Another topic of composting was brought up and Mr. True

stated that another half acre would be needed for the composting program.

Another question was raised in regards to who would be manning the transfer station. Selectman Covas stated it would be someone part-time. Mr. True agreed that it would be someone part-time, possibly working 8-12 hours- perhaps two half-days a week or on Saturdays. It was noted for the record that it would be part-time employment with no benefits. Mrs. Georgia D. Chamberlain recommended Polly Church for the job, due to her involvement with the recycling program in town.

A discussion concerning what the Highway Surveyor is supposed to do with white goods found along the road and who

will pay for the disposal of such goods took place. An Article for Special Town Meeting was suggested; also suggested was an ordinance pertaining to fines for dumping within the town, a more frequent occurrence. Mr. True ended the discussion by stating that the Board would move forward with the sites in question for the transfer station.

There being no further business to attend to, a motion was made by Selectman Covas to adjourn. Selectwoman Roy seconded the motion with Chairman Brown making the vote unanimous. The meeting adjourned at 8:05 pm.

A motion was thereafter made by Selectman Covas to re-open the meeting.

A question was asked if there was anything on the agenda for next week which had already been scheduled. The Chief Adm. Secretary stated bids were being opened at 7:00 pm for the ambulance. Thereafter, a motion was made by Selectman Covas to adjourn again. Selectwoman Roy seconded the motion. The meeting adjourned at 8:06 pm.

To the Editor

Bad News seems to be the bread 'n butter of the press, for some reason it is believed to better catch the attention of the general public, and I guess, contribute to the economy by stimulating the patronage of advertisers. It's usually the stuff you see on Front Pages and Headliners.

We all could not miss the Rodney King Police Brutality news. Well, I as common fold, would like to report some Police Good News.

I made my first trip to Mattapoisett on Saturday, July 25, together with my thirteen year old son. My purpose was to Windsurf

Off Mary's Pond Road, Rochester

Ned's Point. I had heard about this spot via the sailor's grapevine. We arrived about 2:00 pm. It is about 2 1/2 hours drive from my hometown, Keene, N.H.

The winds were a bit disappointing but the faith and perseverance of sailing lore bid that I wait a bit and could expect Sister winds to change mood. Sure enough she did, around 5:00 pm. she picked up enough to start dancing on the waves. My thirteen year old son just began the sport about a month ago, it was about his 7th time on a board and the winds were just about right for him. Time caught up with us though. I began to get dark and we discovered the "Oxford Creamery" which was a total delight. We were going to head back to Keene. However, I could feel the winds coming and heard of rumors of hot muggy

Sunday. I was tired and really didn't relish a late night's drive back to Keene. We didn't know the area at all so didn't really know exactly where to stay. Couldn't find a campground. So we returned to Ned's Point, having seen no signs posted to the contrary we decided to rough it by sleeping the night in the car.

At about 2:00 am. my son awoke with very bright light in his eyes. We thought he was perhaps experiencing a night mare or that it was a beautiful sunrise service at his disposal. In fatigue he put his head under whatever instinctively with the defense that "if you can't see it, it can't see or bother you". More lights brought him to consciousness and he awoke me. I staggered from the back of the car looking like a drunk, but just plain tired and in deep sleep.

The kind officer explained to me that overnight parking was not permitted. Well, he made an exception and let's us stay. I was really appreciated his understanding. About our only alternative would have been to head home and perhaps sleep at the wheel.

The morning actually did come and I awoke about 5:30 am. to see a few other cars apparently there truly to experience "Sunrise

Service". I just barely noticed the big orange arising and immediately fell back into the depth of sleep not to fully awake again till about 8:30 and I'm usually an early riser. We had a great breakfast at the local diner.

This was just a starter for Mattapoisett hospitality. The winds were really blowing by noon. My son got washed downwind and was gratefully assisted by the "Ferrys", must have been the WindFerrys. I was concerned and asked an officer at Ned's if he had some binoculars to try to site my son. He didn't but said he would go down and check for him which he promptly did. It turned out that my son had landed okay and a local young person (the best Green Beret shooter around, according to my son) very kindly brought him back to Ned's.

Need I say that I am very grateful to the Police Officers of Mattapoisett and you kind inhabitants. I would hope that my small town of Keene would manifest as equal to hospitality to "Mattapoisetters"..... and now, I'm confused, I don't know whether I'm more addicted to Windsurfing or to the "Oxford Creamery"...

Always Greatful to Mattapoisett,
W. Blaine Hill

Marion Art Center

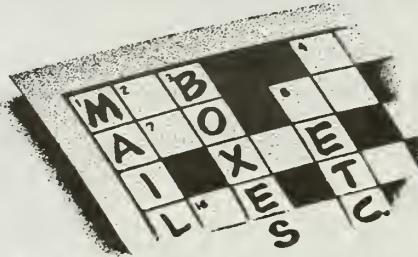

A two-person show featuring the work of Canadian artists Rose Stewart and John Boxtel opens at the Marion Art Center on Friday, August 7, with a reception for members and their guests to meet the artists from 6 to 8 pm. Rose Stewart was born in Linz, Austria and studied Fine Arts at the University of Windsor and received her B.A. and B. Ed. at the University of Toronto. She has also studied at the Institute Aleende in Mexico, the Free School of Art, The Hague, the Netherlands and the New School of Art in Toronto.

Rose Stewart is a painter in oils of landscapes and still-lifes. Her goal is always, in a sense, "to create a painting that makes contact with the reality before me, in such a way that the essence of the life form is captured," she states. Color is a featured element in her work. Her studio window including various still-life compositions, as well as the surrounding environments of her home in Canada make up the subjects of her paintings.

John Boxtel is a sculptor primarily interested in the human form in all aspects of moods and activities. He has great facility in working with clay and wood, his favorite materials. Monumental sculpture and portraits remain a particular specialty. "My main objective and success to date is the creation of monumental sculpture in space inhabited by the public. I believe that such sculpture should harmonize with the space around it and should

elicit a positive and uplifting feeling from the viewer," he states.

Mr. Boxtel studied at Ontario College of Art, the University of Toronto, Artists Workshops in London, Ontario and Architectural Technology, Tiburg, the Netherlands. He has held various teaching positions and is represented by professional galleries in Ontario and the Netherlands.

John Boxtel and his wife, Rose Stewart, have had numerous exhibitions in Canada, Europe and the United States. Boxtel's commissioned work includes a war memorial and pedestal for the town of Sharon, Ontario, two life-size horses for the Landford Group, three life-size figures for Paramount Studios, plus many sculptures for various churches. Ms. Stewart's work is in private collections including Columbia University, Norman MacKenzie Hospital in Edmonton, Alberta, and a mural for James Reid Ltd., Kingston.

The galleries at the Marion Art Center are open to the public Tuesday through Friday, 1 to 5 pm and Saturdays, 10 to 2 pm. There is no admission charge. The show runs until September 2.

On Friday, August 7 at 8:00 pm.

The Marion Art Center will present a concert featuring String Quartets from around the world. The program includes String Quartet #3 by Bela Bartok performed by Dmitry Kustanovich, violin, Manhattan School of Music; Schmulik Katz, violin, Ramat Gan, Israel; Jenny Anschel, viola, Minneapolis, Minnesota; and Amy Barston, cello, University of Southern California and followed by Beethoven's String Quartet op. 131 played by Merrie Arnold, violin, Indiana University; Nurit Var-Josef, violin,

Rochester Council on Aging

COA Seeks Senior Aide:

Coastline Elderly Services, the area agency on aging, sponsors a Senior Aide Program, providing part-time work for seniors who qualify and who could use a little extra income. The Rochester Council on Aging is looking for a local senior to work four hours a day as an Aide at the Senior Center and/or Meal Site.

If you are interested, please call the Council on Aging Office at 763-8723, and your name will be submitted to the Senior Aide Program.

Granny's Attic:

The 'Friends of the Rochester Senior

Center' are collecting resalable articles for their "Granny's Attic" table at the upcoming Congregational Church Fair. The Fair/Flea Market will be Saturday, September 5. This is a fund-raising effort for the Center and all donations will be gratefully received.

Items can be dropped off at the COA office or at the Center, or call Marie at 763-8723, and a Friend will pick them up. (No clothes, please).

Silver Haired Legislature:

A statewide election for the Massachusetts Silver Haired Legislature will be held during the week of September 21-25. Local place, day and time will be announced, if local candidates take out nomination papers.

Massachusetts senior citizens aged 60 or older, currently registered voters, residing in the districts they seek to represent, and who are willing to serve are encouraged to run for the two-year term.

The Silver Haired Legislature was established in the Commonwealth in 1980 to provide an educational and advocacy/training action program for the elderly. It is a grass-roots, non-partisan organization dedicated to promoting the well-being of the elderly and their families. Patterned after the General Court

See Plymouth by Night . . .

Meet your professional guide in the lobby of the John Carver Inn. Stroll the pathways of Brewster Gardens and Town Brook to learn about our pilgrim ancestors and Native American lore.

open only two days a week, on Wednesdays and Thursdays. Come for Bingo on the 6th and Whist on the 13th and 27th. Join our growing Wednesday Art Class, meeting on the 5th and 26th this month. Enjoy creating at the Craft Workshop on the 19th, or view a superb movie on the 20th!

Blood Pressure:

Marion Visiting Nurses will conduct a Health and Blood Pressure Screening on Tuesday, August 11, from 1 to 2:30 pm at Town Hall.

Speaker at Meal Site:

A guest speaker from Com. Gas will address Elderly Nutrition participants on Tuesday, August 11, at 11:30 am at the Vestry Meal Site. Topic: "Heat Stress".

Seahorse Christmas Tree Ornaments

The gold-plated seahorses, designed by George C. Avila, were so well received at Harbor Days that The Friends of the Elderly's partial shipment of the ornaments was sold out early Saturday morning.

The rest of the small order has arrived. The people who reserved their seahorses can pick them up at the Seahorse at the corner of North St. and Rte. 6 on August 15 from 10 am to 2 pm.

SHARE—Mattapoisett

The Friends of the Elderly of Mattapoisett, The Host Agency for SHARE, the Supplemental Food Program, reminds Mattapoisett residents that for two hours of community service plus \$14.00 cash or food stamps (no checks) each participant (any age) receives \$30 to \$35 worth of frozen meats and

fresh fruits and vegetables. SHARE's motto is, "If you eat you qualify". Everyone can participate— your income and assets are not a criteria.

August 22 is the next pick-up date at Old Hammondtown School, Shaw St. You may also register there for the September food from noon to 2 pm. The extra registration for the month of September will be on Tuesday, September 8 (the day after Labor Day) from 11 am to 1 pm at the Seahorse, corner of North St. and Rte. 6.

Country Dance Benefit

The Rochester Police will be sponsoring a country dance benefit on August 8 at 8:30 pm. The dance will be held at the Rochester Grange on Hartley Road. Music will be provided by Luke Wetherfield and there will be door prizes. Donations for tickets are \$10.00. For more information and tickets, please call 763-3560.

Friends of the Dartmouth Libraries

Southeastern Massachusetts artists will be exhibiting and selling their work at the popular outdoor Summer Art Show and Sale to be held on the shaded grounds of Southworth Library, 732 Dartmouth St., South Dartmouth.

All artists are cordially invited to participate gratis, there being no entry fee, courtesy of the sponsors of the annual event, The Friends of the Dartmouth Libraries. Eligibility is not restricted to easel art; any graphic arts medium, including photography, will be welcomed.

The date of the show, recently announced by Susan Cabral, Exhibit Director, is Saturday, August 22, opening at 10:00 am and closing at 3:00 pm.

Summer Clearance Sale
Elegance Renewed
Consignment Boutique
Designer & Unique Clothing & Gifts
Three Wells Road
Marion, MA 02738
(508) 748-3166
Hours
Tues.-Fri. 10 am - 4 pm
Saturday 10 am - 3 pm

An art instructor and accomplished artist specializing in oils, Ms. Cabral is pleased to extend special encouragement to children and young aspiring artists to show their original work, whatever the medium- crayon, ink, pencil, pastel, or watercolor.

An innovation in this summer's show will be the awarding of 1st, 2nd and 3rd place ribbons for entries judged best in the categories of oils, watercolors, and mixed media in the adult entries; recognition will also be given to the best work of the young exhibitors.

All artists are encouraged to offer their work for sale, with the customary stipulation that 10% of receipts be contributed to the non-profit sponsoring Friends organization, a group of volunteers working to implement special cultural programs and projects for the town's library system.

Exhibitors will be responsible for their own set-ups to best display their work. Free-standing fencing, racks, booths, easels, even card tables are acceptable. These arrangements should be discussed in advance with the director, Ms. Cabral, when space reservations are made. The number to call for such registration is (508) 999-4320.

In the event of inclement weather on

August 22, the show will be set up inside Southworth Library, which is handicapped accessible.

The viewing public is also invited to attend the event without an admission fee.

Notices From Mattapoisett Town Clerk

State Primary September 15, 1992

August 11, 1992

Tuesday Evening 7:00 pm to 7:30 pm.

August 15, 1992

Saturday Session 9:00 am to 5:00 pm.

August 18, 1992

Tuesday Final Hr. 8:00 am to 10:00 pm.

Persons may register during regular Town Clerk hours, Monday - Friday 8:00 am to 4:00 pm. All Special Sessions are held at the Town Clerk's Office at Town Hall.

Absentee ballot applications are now being accepted for the September Primary and the November Presidential Election.

Town Clerk Lois K. Ennis reminds that all seawalls, piers, jetties, groins or other coastal engineered structures below mean high tide need a Chapter 91 license that must be recorded in the Registry of Deeds. This applies to all structures regardless of age. Contact your

civil engineer or Mr. Robert Burris at the Department of Environmental Protection, Waterways Regulations, for details of the licensing process during the present amnesty period.

Globe Theater Troupe, Inc.

The Globe Theater Troupe, Inc. continues its 5th Anniversary Season with another Dinner & Theater Combination at the Rochester Woman's Club, Rte. 105 (exit 20 off Rte. 195), Rochester, featuring one of Neil Simon's newest comedy hits *Rumors*. A preview performance opens this outrageous romp on Wednesday, August 12, at 8:00 pm. Opening night is Friday, August 14 and performances continue Saturday, August 15, Wednesday, August 19, and Friday & Saturday, August 21 & 22, at 8:00 pm. Two matinee performances will be held on Sundays, August 16 & 23, at 2:00 pm. At the Old Ruggles Inn, located directly opposite the Woman's Club, dinner will be served starting two hours before each performance. This summer, for the first time, a reduced price Dinner & Theater combination is being offered to senior citizens and students. A choice of two new entrees will be offered this summer. Combination tickets are \$13.00 for regular admission and \$11.50 for seniors and students. Theater tickets only are still \$7.50 for regular admission and \$5.50 for seniors & students. Reservations are required for all tickets this year. Reservations will be held until 15 minutes before curtain. For information and reservations call: (508) 291-0865.

Rumors marks Neil Simon's return to non-autobiographical comedy, although who is to say there is not a bit of the playwright in

each and every one of his plays. The play follows the hilarious antics of eight dinner guests who arrive at an anniversary party to find their hosts somewhat indisposed. What has happened to Charlie and Myra? That's what Cassie, Chris, Claire, Ken, Lennie, Ernie and Glenn are trying to figure out before anyone else does.

Playing the party guests are Susan Shaw of Mattapoisett, Anne Schenck of Marion, Charmayne Mc Kenzie and Joe Richards of Falmouth, Lauren Podesta of Weymouth, Michael Hall and Michael Ventura of Wareham and Richard Pacheco of New Bedford. Also of New Bedford are Stephen Gonchar and Karen Jenkins, who portray two police officers.

Directing the August play this year is Mr. Richard Delongchamps of Middleboro. Mr. Delongchamps is a recent winner of the Honorary Silver M Award of Middleboro for his great service to that town in directing and teaching theater.

The Rochester Woman's Club lower level and The Old Ruggles Inn are wheelchair accessible. The Globe Theater Troupe provides large print playbills upon request. This project is funded in part by the Rochester and Wareham Arts Lottery Councils, and Plymouth County Development Council.

Mattapoisett Wharf Square Dance Association

The 43rd season of Square Dancing continues at the Mattapoisett Town Wharf, Water Street.

On Saturday, August 8, the caller will be Dick Arruda, the cuer Jeannette Medeiros, and the dance will be sponsored by the

Rochester Lions Club Carnival

The Rochester Lions Club president announced that the annual carnival has been reserved for August 12 - August 15, 1992. The carnival will be open 6:00 - 10:00 pm each day, and will be located next to the Plumb Corner Mall, Route 105, Rochester.

The Lions Club reserved the carnival last year and it was very well received by parents for it was organized as a children's carnival.

On the last day, August 15, there will be

many events, starting with a Bike/Walk-A-Thon at 9:00 am. From 1:00 - 4:00 pm the Lions Eye Mobile will be at the Mall to provide free eye and ear screening. Also from 12:00 - 5:00 pm there will be a car show featuring antique autos, custom cars, etc. Local clubs are invited to take table locations from 12:00 - 5:00 pm to display club literature or sell club items. Refreshments and demonstrations will be featured throughout the day.

President John Cobb invites you and your family to attend; you will be glad that you did. For further information contact John at 763-8970.

Rochester Republican Town Committee

Republican Town Committee is sponsoring a Pig Roast. If you have never attended a pig roast, you do not know what you have missed. If you have attended a pig roast, you know it is delicious.

The Republican Town Committee will hold the Pig Roast on Sunday, August 23, at 1:00 pm. It is being held at the Rochester Grange, Hartley Road, Rochester.

President Anne Wolf extends an invitation to all. For tickets or more information please telephone 763-5619 and ask for Helena or Harry.

Mattapoisett Public Library

The 10th Annual Arts and Crafts show will be held on August 15 (rain day August 16) at the Mattapoisett Public Library, 7 Barstow Street, Mattapoisett. Refreshments will be available and demonstrations will run throughout the day. This event is sponsored by the Friends of Mattapoisett Library.
